

# BLAZUN

PREMIUM UNBREAKABLE DRINKWARE

## WHY BLAZUN IS THE FUTURE OF DRINKWARE

- UNBREAKABLE - made from the same material as *BULLET-PROOF* glass!
- DURABLE - a special Annealing process *DRAMATICALLY* increases *durability* for extra long service life.
- ATTRACTIVE - premium designs with *stunning* glass-like appearance make our drinkware the true glass alternative!
- LEADING - innovative 3D modelling & unique manufacturing provides the best *price/performance* drinkware available.

## BLAZUN + ANNEALING = UNMATCHED DURABILITY

Annealed

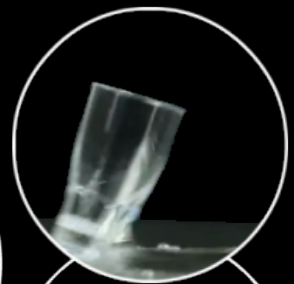

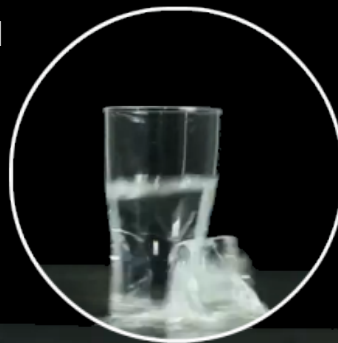

Accelerant used to speed up effects of washing chemicals

Results after only 15 seconds...

Competitors Glass

Non-Annealed
